

21st Summer Meeting in Risk Finance and Stochastics

Risk, Finance and Stochastics (RFS 2024)

Hybrid, 9–13 September 2024

The **21st Summer Meeting in Risk Finance and Stochastics, 9 - 13 September 2024** is organized by AUEB (Departments of Accounting & Finance, Business Administration, Statistics, Stochastic Modelling and Applications Laboratory, Applied Finance Laboratory) in collaboration with the University of the Aegean (Departments of Statistics & Actuarial-Financial Mathematics, Financial & Management Engineering). KPMG in Greece will also participate in the Summer Meeting.

The meeting is addressed to postgraduate students, PhD students, postdocs, researchers and practitioners who are interested in staying informed about the latest developments in the field of stochastic finance.

As always, we will have the pleasure and honor of having with us distinguished academics in the field. In the current Summer Meeting, three major topics will be presented: (a) Auditing, (b) Machine Learning in Data Analysis and Finance and (c) ESG. Details concerning the keynote speakers as well as the program of the school will be announced through the RFS-2024 [website](#).

There is no fee for attending the school, but **interested participants should register online through the form**

[Online RFS-2024 Registration Form](#)

stating their name, capacity, affiliation and including a short CV (no more than 10 lines), **by 28 August**, so that the selection procedure can proceed on time.

The maximum number of participants will be 40 and among equivalent participants priority will be given to those who applied first.
