### **CALL FOR APPLICATIONS - INTAKE SEPTEMBER 2022**

The MBA International of the Athens University of Economics and Business is a world-class program tailored to provide high quality and timely business education in today's global, dynamically changing, and technology-driven business environment. The Program is accredited by the Association of MBAs (AMBA) since 2005 and is offered exclusively in English. A rich, constantly evolving academic program allows students to customize the curriculum to fit their personal and professional needs and interests, while a number of extracurricular activities help them adopt an international perspective, strengthen their interpersonal, managerial and leadership skills, and cultivate their entrepreneurial capabilities. The program attracts students from more than 20 countries and for many years occupies top positions in international rankings. Committed to stimulate extroversion and innovation, the MBA International's mission is to educate visionary, confident and respectful leaders through a transformational learning experience of highest international standard that bridges academia, business and society.

The Program operates in accordance with the Regulation of Postgraduate Program (Bulletin B' of the Greek Government Gazette No. 3785/3-9-2018 as it is amended) and Law 4485/2017.

The MBA International offers a Full Time Program of 3 semesters and a Part Time Program of 5 semesters.
